We're glad you are here at Taylor!!

Thousands of young people have attended Youth Conference over the years since it began in the heart of Taylor students in 1934. Perhaps even your parents, youth group leader, or pastor came before they joined the Geritol generation.

Youth Conference is for youth, and you are here as one of those special people. My prayer is that you will have a great time in the residence halls and meet some really neat friends from other towns and cities. I also hope that Taylor will kind of "get in your bones," so to speak, and that perhaps someday you will consider coming here as a student.

But most of all I pray that, through the speaker and the loving expressions shown you by your Taylor student hosts, you will become closer to Christ than you ever thought He could be to you.

God bless you.

BRAD PONTIUS

Welcome to Taylor University! It's a privilege to have you here for Youth Conference '89. I'm sure that, as you listen to Dwight Robertson and David Meece and get into the discussion groups and activities, you'll understand why Youth Conference has become a popular yearly event at Taylor. I'm sure you'll be challenged, have lots of fun, make new friends and get a feel for life at TU.

The theme "TAKE A STAND" was chosen for you; to give you something to think about while you're here and to take home with you as you return to face the mob. Enjoy . . .

Welcome to Youth Conference 1989! Working with such a creative and talented group of people as our Youth Conference cabinet gives us confidence in knowing that you are in for an exciting weekend. But even more so, living with such a mighty God gives us confidence in knowing you are in for a potentially life-changing weekend. We have totally designed this weekend with you in mind. It is our prayer that as you experience all that is in store for you, you will personally meet Jesus Christ and decide to "Take A Stand" for Him. Remember – it's your weekend, so have fun and make the most of it. We're praying for you!

DWIGHT ROBERTSON

Get set for one exciting and powerful weekend because Dwight Robertson is an exciting and powerful speaker! We are enthusiastic about having Dwight come to Youth Conference because we have seen him minister powerfully to nearly everyone he comes into contact with. Dwight is a gifted musician and evangelist, however his greatest asset is his tremendous love for the Lord. Dwight knows the problems that high schoolers face and has a deep burden to share the solution to those problems. We know you will love him and grow deeply in your spiritual life because of him. Get set for a great weekend!

We are delighted to have the sponsors come and participate in Youth Conference each year. We sincerely believe that without you Youth Conference could not have lasted as long as it has. We value you!

For this reason we have spent much energy designing a sponsor's program that has your needs in mind. Our speaker this year is Bill Eakin, coordinator of Campus Life ministries for the greater Indianapolis Youth for Christ. As well as ministering in 36 different countries, Bill has written a book on the basics of the Christian life, *A Brand New You*. Bill will share about how to teach these basics to new Christians. Furthermore, on Sunday morning we will be providing a question and answer session with Bill and Dwight as well as a time of worship. We are confident that each of you will be encouraged and built up through Bill's teaching and your fellowship with other sponsors. Again, we're delighted to have you here.

In 1978, David Meece made a very challenging decision to remain in the growing Christian contemporary music arena rather than switch to the secular music arena, even though this debut album "Everybody Needs A Little Help" was receiving noticeable secular airplay. David's music has taken the application of Christianity beyond the church and brought it into the homes, schools and lives of common man. His seven albums have been among the top selling in the Christian contemporary music market. David loves God and loves music. The foundation for his continued accomplishment is his God-given talent and hard work.
